

HALTON HILLS CHILD CARE CENTRE

Infant Classroom Winter Newsletter

Even though our fall was rather wet, we still enjoyed many days outside in the playground or going for a walk. We enjoyed collecting fall items, carving pumpkins, bringing in fall sensory items into the classroom. We hope that the winter months will bring many happy activities in the snow.

Parents are to use caution when bringing food or drinks into the centre.

All foods/drinks must be

NUT FREE

Welcome

We welcome our friends who will be joining the Infant room. We also say good-bye to those friends who will be leaving the Infant room.

As the weather starts to change to more colder temperatures, we ask that you bring appropriate outdoor clothes such as jackets, snow pants, mittens and hats. We will try to go outside twice a day if there are no cold weather alerts.

Please help your child wash their hands upon entering the classroom.

Please remember to wash your child's hands before entering the classroom. We are entering the cold and flu season, and washing hands helps to keep the germs away.

Please remember to check your child's bin for extra clothes.

-  2 pairs of pants
-  2 tops
-  2 pairs of socks
-  bibs if your child is teething
-  extra pair of mittens

LATE FEE is \$5.00 per minute per child if you arrive after 6:00 p.m.

If you are making alternate pick up arrangements, please ensure you contact the Centre and the person has photo ID.

Please do not park in tenant parking spaces, or between the buildings when dropping off or picking up.

REMINDERS

- ❄️ Please label all your child's belongings.
- ❄️ Check HiMama for daily updates and supply requests.
- ❄️ If your child becomes ill and has a fever of 100.4°c or higher, they will need to be off 24 hours symptom free (without the use of fever reducing medication).
- ❄️ If your child starts a prescribed medication, your child will need to be off 24 hours to allow time for the medication to take effect or if there might be any side effects.

A NOTE FROM THE STAFF

As your child begins to get older, they will be encouraged to work on new skills such as:

- ❄️ Eating with a spoon.
- ❄️ Walk independently (ensure they have sturdy walking shoes).
- ❄️ Eat larger pieces of food.

**We wish you a safe and
Happy Christmas and an
enjoyable winter!**

**from the
Infant Classroom Staff**
