## Toddler Classroom 2019

Spring is finally here! Yah!! Let's hope mother nature co-operates. The children are enjoying the nicer weather and outside time.

The playground still has some snow and your child's outerwear maybe wet or muddy. The mornings are still cold so we need snowsuits, boots, hats and mittens. The afternoons are warmer so splash pants and lighter knitted mittens can be worn.

The adventures in the toddler room for spring will include: watching for signs of spring, planting & growing, leaves on trees, and Easter.

Planting is a hands on activity with toddler always a great time. The children are regularly looking out our fantastic windows. They will watch the gardens grow and look for different animals.

No Outside  
Foods or Drinks

As Easter approaches, we will do a lot of activities and creatives. The children had a great time finding an Elf at Christmas time, so we are going to find the Bunny for Easter. An Easter Egg Hunt is planned. Closer to Easter, we will dye eggs. At the end of our adventures, we will make a book so the children can enjoy the memories in the classroom.

### Spring Cleaning

\* The toddlers are in need of some gently used board books. While doing some spring cleaning in the classroom, we realized the much loved books are very worn.

\* A change in seasons is a great time to check your child's bin. Different sizes or weather appropriate clothing maybe needed. The bins are located on the shelf behind the change table.

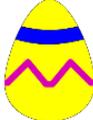

\* Please label all your child's belongings. This will help the teachers so things are not misplaced or lost.
