

Toddler Classroom Summer Newsletter 2015

Summer is here and we are planning many fun activities to help keep us cool while we are outside such as water play and freezies.

Please remember to apply sunscreen in the morning. The teachers will reapply it for our afternoon outside play time.

The staff will carefully monitor weather conditions to ensure no one is feeling any ill affects from the heat, humidity or air quality. Cool water is always available while we are outside.

Now that our sandbox is ready to use at the playground, we are requesting that our toddler girls wear shorts/pants under their dresses to prevent sand from getting into their diaper area.

REMINDERS

- * Please sign your child in and out everyday.
- * Check your child's bin for weather appropriate clothing.
- * Please label all of your child's belongings.
- * Blankets will be sent home every Friday to be washed.
